

DONATION OR SPONSOR FORM

We are a youth recreational swim team that sends many swimmers on to swim at local high schools. All proceeds from our fundraisers are used to support college scholarships for Penguins alumni, purchase equipment for the Elkhorn High School pool, and purchase swimming equipment that is used both by our team and the Elkhorn School's summer swimming program.

We would so appreciate your monetary donation to sponsor a hole, a certificate for goods or services, or an item for our raffle and silent auction. In recognition of your generosity, your company name will be acknowledged at the event. No matter how large or small your contribution, we are very appreciative of your support!
